

LUKIMBI SAFARI LODGE

MPUMALANGA

Lukimbi Safari Lodge is a stunning luxury safari lodge situated in the easily accessible southern portion of the Kruger National Park, South Africa. Kruger is home to the Big Five and a wide variety of other animals and birds, which roam freely in their natural habitat. The main Lukimbi Safari Lodge building welcomes you with its sweeping staircase and artistic fireplace with creatively engraved animals. Our tasteful lounge overlooks the Lwakahle River where animals often come to drink, and the bar nearby has an award-winning wine list and cellar. No detail has been omitted in our unusual African boma, a favourite outside fire-lit venue. We also move our tables around in and outside our elegant restaurant and on our stunning deck, so you can enjoy different views on different days – a detail our guests often remark upon.
